Can anyone name any constructive or positive thing "THIS DESPICABLE PPP HOUSE NEGRO" Luncheon ever said or done for Guyana & the Guyanese people over the past 23 years?

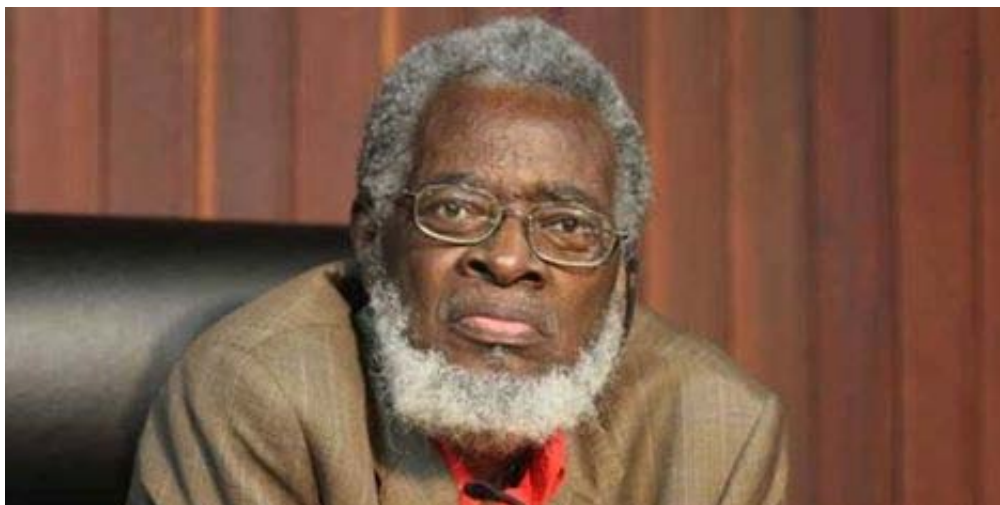

BY WHAT AUTHORITY FOR THE LAST 22 YEARS THIS BEARDED IDIOT ROGER LUNCHEON DICTATES OVER "FREEDOM OF THE PRESS", "FREEDOM OF THE AIR-WAVES" & "FREEDOM TO COMMUNICATE" for all the citizens of Guyana? Who does Luncheon speak for? Brigadier of the GDF Mark Phillips?

This idiotic babbling PPP "LAP-BOY" never initiated, proposed and encouraged any legislation of governmental policies in Guyana policies which can enable all the Guyanese people to enjoy their inalienable rights to "Life, Freedom & the Pursuit of Happiness." Men and women in Guyana should have their God given rights to live clean, normal lives, natural living as nature intended, while they enjoy all the privileges of Nature, and all benefits and gifts equally with all of mankind, and to be free from the "Shackles of Superstition and the limits of Ignorance and Suffering."

I have said enough about THIS DESPICABLE CARICATURE named Roger Luncheon. By the way, some rational human beings in the Diaspora and a few current PPP members in Guyana, believes that the "PPP LOYAL NEGRO HOUSE SLAVE" Roger Luncheon, in all probability, is an evil "Reincarnation of a Devil in Guyana".

"Stay tuned" SINCE it appears that HOUSE Negro-luncheon seems to be "traveling," as he continues his daily dialogues with the Gods. It's called the "Universal Law of Cosmic Compensation," or commonly known as "KARMA."

If Guyana only had a discipline and organized armed services, that PPP HOUSE NEGRO Roger Luncheon would have been history many years ago.....Maybe, it's time to indict the Guyana Defense Force for their dereliction of duties.( The DEVIL IN PICTURE BELOW DEPICTS LUNCHEON)

When a man's mother shed bitter tears for her son immediately after his political party assumed office and begged him to leave that party, speaks volumes. I SAY NO MORE.

Nurse Yvettei A vent line is good.

But a brainstorming committee will be better. What's the next step, given all the issues raised? Who are the good candidates? What do you need from a new government? What are the priorities at this time? What are the religious leaders doing? What are the intellects doing? What will you do on election day after your party loses? Wins?

Nurse Yvettei House negro or not, he seems to have carved out a pretty decent life for himself regardless his political affiliation and pervading circumstances. More of us can follow that example and we'll have less complainers. Luncheon and others are moving on with their lives regardless of the names they are called. Hint to Baneba mek Quasheba tek notice!

**Bryan Benn Snr** Nonsense **Nurse Yvettei**. Utter foolishness that a man who abuses and misused Guyana's State Power "carved out a decent life for himself. "

Go and tell that to the families of hundreds of innocent Guyanese citizens who were executed by Luncheon 's Phantom Death SQUAD, WHICH WAS HEADED BY Roger Khan and Ronald Gajraj.

Where did you people come from?

Just support your PPP CRIMINAL ARCHITECTURE and leave us alone here.

This is an APNU -AFC Democratic Coalition support group. Please get off our blog with your irrelevant and inappropriate comments which belongs to that PPP Message board.

**Wendell Jeffrey Bryan**, if you don't engage your enemies you can't win them. Don't chase the haters off the blog. They need to read and see what we support, and what we plan to do, and where the country needs to go.

So don't run them off. They can't even comment on the PPP blogs because the PPP so scared they are vetting who makes comments, just in case you are sending subtle messages to their brainwashed supporters.

So allow the naysayers and the haters; we welcome all! Maybe they will read something that will cause them to help join with us to change the direction of the country.

How ABOUT Such A Dialog? Maybe, you will talk me out of my "Anger and disgust of the PPP CRIMINAL ARCHITECTURE that's brutalizing Guyana and the Guyanese people.

Take the challenge.

**Keith Williams** Crap is crap regardless of how it is disguised. What is purposeful? Anyone who have been reading these blogs have been exposed to suggestions and ideas about what needs to happen to change and move Guyana forward. Those who have either omitted to read anything, or ignore what they read in order to find some framing point to start their argument are being disingenuous at best, and deceitful at worse.

Even starting off from any practical sociological or political understanding, the concept that it is ok for one party to rule a nation for over two decades is obscene. When the fact of the politics of that nation being framed in ethnic electoral preference and selection is factored into this understanding, it becomes even more obscene.

The only development Guyana has seen over the past two decades is one of downward spiral in terms of morality, ethics and rule of law, and one of materiality where it has become like unto an exhibition of an oasis of wealth, power and privilege existing in the middle of vast deserts of poverty, powerlessness and want. In any other society this would have been enough for people to, at least, exhibit the capacity to see reality through any blinders that limit their vision. Unfortunately, for Guyana, distance away does not preclude the practice or willingness of some to synthesize the most irrational talking points in order to find some fault in the practical reasoning that stagnation of any kind is bad.

Like water need to be refreshed from time to time, Governments and political leadership also need to be refreshed. Ironically while this has become an acceptable principle in the understanding of all civilized nations, some in and of Guyana still fervently to the contrary, product of the stagnation in ideas and thinking.

**Bryan Benn Snr** Well said Keith. If **Nurse Yvettei** takes up the challenge, I am prepared to find some quality time and engage her in any civil conversation about the issues which are impacting Guyana and the Guyanese people.

She's a sister and we share the commonality of the many Guyanese friends.

In fact, a common friend inbox me with that "constructive discussions personal conversation" suggestion.

I love to digest and pontificate on some well meaning suggestions from friends.

My friend, please remember that notorious political leaders like Adolf Hitler , Joseph Stalin, Sadam Hussain, Mao tse-Tung, Fidel Castro and Muammar Gaddafi who mercilessly exterminated thousands of their innocent citizens were considered to be great rhetoricians.
